

DAY TOUR #1

Jerusalem

**Christian | Jewish |
Archaeological Sites**

Jerusalem - the holiest City in the world. We will visit the Christian and/or Jewish holy sites. To name only a few: Via Dolorosa (the way of the cross), Mt. Olive, Gatssemane, the house of Caifas, Mt. Zion, Western Wall, King David's tomb, synagogues. Visit archeological sites: City of David, Siloam Pool, Davidson Center, Western Wall Tunnels. A visit to the Holocaust and/or the Israel Museum can compliment the day tour in Jerusalem.

DAY TOUR #2

Tel-Aviv & the Coast

Tel-Aviv | Jaffa | Caesarea | Haifa

Our visit will start at the Old City of Jaffa with 7,000 years of history, already mentioned in Bible in the story of Jonah the prophet. Then drive North along the coast to the archaeological remnants of Caesarea, built by Herod the Great, more than 2,000 years ago. From there we continue to visit the famous aqueduct, and to Haifa. Climb up to the Carmel Mt. to the majestic observation point & view the Bahai Gardens and Haifa Bay.

DAY TOUR #3 Sea of Galilee & North

Sea of Galilee | Golan Heights

The Sea of Galilee is located on the Syrian/African rift in the Northern part of Israel, not far from the cities of Zefat, Nazareth & Tiberius. There are many holy places surrounding the Sea of Galilee, such as: Beatitude, Capernaum, Tabgha & the Jordan River. We will continue by ascending to the Golan Heights to see the beautiful view of the Hula Valley and the Syrian/Israeli border from Bental Mt. We will then continue to an observation point where we view what was the meeting of 3 borders: Syria, Jordan, Israel.

DAY TOUR #4

Dead Sea & Masada

Dead Sea | Masada | Qumran | Jericho

We will begin by visiting the ancient city of Jericho and Mt. of Temptation. We will continue to visit the site of Qumran, the place where the Dead Sea Scrolls were found (the most ancient copy of the Bible), more than 2,000 years ago. We will then go to Masada, the famous fortress that was built by King Herod the Great, more than 2,000 years ago and finish our day by swimming in the unique and famous Dead Sea, the lowest place in the world and the saltiest lake in the world.
